1. Who can see this is the beginning of me, unabridged, unadulterated, in the flesh of flesh? I love you. Walking the earth as man and doing all sorts of miracles on your own, not; father, letting his works/heart/flesh come through to all flesh, not; much/most. I love you.

2. This is the day of new beginnings and the year of Jubilee for many, all who want me unabridged, unadulterated, and from start to finish, completely me. See what I have said. Rather than me to fit in their mold of themselves and their schedule.

3. I am riotous not but I come and I have/am my schedule, and I provide, and topsy turvy I am to most schedules. They want my word or they don't. They play; or they're serious, sincere, meek, and focused; willing to pay the price in time/oil, the oil of time broken over my/their feet that they come and give me, placing me **above all else**. Robbing not the kingdom of heaven but entering it with every breath and word that abates and abridges the enemy, thought upon/of thought that not of me is, releasing all of mine to flow unabated/unrestricted, fully, and foiling all others. I love you.

4. Think it not strange the demands I place on your time now, coming into me for every breath, focusing on me, focusing in me to see me, what I'm doing and hearing what I'm saying. Father loves me. I am father. You are. We are one now and forevermore. Amen.

5. **See the fields white with harvest, not; white *for* harvest**, awaiting my word,s to wash clean and prepare bridal showers, not; be married now, now any/almost any moment. The now is upon us/them all. **And the is displaces isn't.** Watch me/us.

6. This is the time of Joel the prophet and who can see the darkness along with the **light, emanating not from one; but from one and not-one, while both portray working, and light comes and consumes the darkness? See what I have said so boldly.**

7. You my friend are light and life and *wholeness completing my design/operation of one being one with/in father, all heaven and earth* being one/father, kingdom of/being one. Amen. Hallelujah. Amen and amen.

8. This is the me to you, the me; me to me. We one family are; one mind, one body, whole, complete, and perfecting the saints in glory, not; surrender, now on the streets of/in London and places wholly unaffected by me not; *wholly affected by even my presence*. I love you light one, light of light being light wholly complete and perfect. Be ye, you became/you've become. I me/now you instantaneously. Amen.

9. Given righteousness and holiness; and judgment none; but my mercy endures a thousand generations, them judging themselves and coming into my glory complete. I love you. Amen.

10. This is the time of glory/my glory. Rise and sing, shine, glow and glower for me. I love you. Amen.

11. Miracles at your hand. Watch me.

12. Sing the songs of Zion, not; I do, watch me fill my cup, overflowing to/through Zion redeemed/established, and wickeding not; perfect, all. I love you.

13. **Call them me I Am. Call them one.** Let them say I am strong in the power of his might/one. I love you. Me.

14. Expect the best/miracles of me coming through you forevermore, now and this morning. Amen. Pray for the righteous; and all there/coming. This is the first of many. Derrick mine and lovely. I love you/them all. Amen.
